Hotelopia, Flybe, Amadeus and Lixto

TUI Travel plc's consumer-facing bedbank **Hotelopia** has signed a partnership to provide accommodation on **Gulf Air's** website.

Flybe is adding 34 new routes this summer, including Dundee to Birmingham and Belfast, the first to be operated by **Loganair** following the signing of a new franchise agreement between the two earlier this year.

Amadeus has appointed **James Grant** manager, global partners, **Marc Wise** manager, national sales (corporate) and **Gregor Falck** regional partner manager (UK & Ireland).

Lixto Software has launched Lixto Hotel Online Market Intelligence, a tool providing online travel companies with a detailed market picture derived from all relevant online channels that distribute hotel rooms on the internet.
